# The Event Barn at Highland Farms

is a rustic, yet elegant barn located in the middle of a gorgeous 300 acre farm in Somerset. Located on one of the highest points in Pennsylvania, the unbelievable view is the perfect backdrop for a ceremony or reception. This beautiful venue can host your wedding of up to 325 guests!

*We absolutely loved the barn for our wedding in August! The Sherbines are so cooperative and great people to work with! We recommend this barn to everyone interested in a rustic wedding. So glad we made the right choice to have our ceremony and reception here.*
